Policy # 1105

THE BOARD OF TRUSTEES

Membership

The District is governed by a Board of Trustees consisting of members, each member to represent a different trustee zone. The Board's powers and duties include the broad authority to adopt and enforce all necessary policies for the management and government of the public schools. Except as otherwise provided by law, trustees shall hold office for terms of three (3) years, or until the annual meeting of the trustee's district held during the year in which trustee's term expires.

All trustees shall participate on an equal basis with other members in all business transactions. Official action by Board members must occur at a duly called and legally conducted meeting. A meeting of the Board means convening to make a decision or to deliberate toward a decision on any matter. School board members, as individuals, have no authority over school affairs, except as provided by law or as authorized by the Board.
