

# Kimberly School District

STUDENTS 3410

## Student Health

The Board may arrange each year for health services to be provided to all students. Such services may include, but not be limited to:

1. The development of procedures at each building for the isolation and temporary care of students who become ill during the school day.
2. Consulting services of a qualified specialist for staff, students, and parents.
3. Vision and hearing screening.
4. Scoliosis screening.
5. Immunizations.

The District shall exclude from school any student with a contagious or infectious disease who is diagnosed or suspected of having a contagious or infectious disease or those students who are not immune from and have been exposed to a contagious or infectious disease.
