We will be doing entries on Athletic.net. Please have entries in by noon on Tuesday March 10. (You can enter as many in each event as you want. We can have “B” relays also)

Bus parking will be inside the fence on the east side of the track.

Please bring with you all of the equipment you will need to run your field event. (We will have rakes for the pits, and markers for the throws; however, we do not have enough tape measures for all of the throws and jumping events)

Access to the track will be through the bull pen area only. The bull pen will be in the canopy at the northwest corner of the football field near the start of the 100M. No one will be allowed onto the track or into the infield unless they are participating and have checked in through the bull pen.

Athletes will be allowed to warm up in the infield after they have checked in through the bull pen.

We will use this order of events (it can be adjusted at the coaches meeting if necessary): Medley Relay, 3200, 100/110 Hurdles, 800M relay, 100M dash, 800M run, 400M relay, 400M dash, 300M hurdles, 200M dash, 1600M run, 1600M relay.
