

April, 2019

UPDATE

Dear Parents and Patrons of Kimberly School District,

I hope that everyone had a refreshing Spring Break and returns rejuvenated and ready for the final quarter of the school year. We look forward to a positive and productive finish!

An early release day for all students is scheduled for Tuesday, May 14th so that district staff can participate in Senior Project Day. This is a graduation requirement and a big day for our Seniors! Scholarships for our past and present graduates can be found on the High School website <http://www.kimberly.edu/khs/scholarship-information>.

Kimberly and Stricker Elementary School's final student day this year will be Thursday, May 30th (one day earlier than the Middle and High School students) giving our elementary teachers and staff the day to make their transition into the freshly renovated Kimberly Elementary School. An Open House will be scheduled in the Fall. This is an exciting time at Kimberly School District!

Be on the lookout for summer school information coming home from individual schools. The Kimberly School Board has approved the school calendar for next year with the first day of school Monday, August 26th and the last day of school Tuesday, June 2nd. This school calendar is posted on the district website. Information on registration for next fall will be forthcoming.

Kindergarten registration for district students turning 5 years of age on or before September 1, 2019 will be held for Stricker Elementary on Monday, April 29th and Kimberly Elementary on Monday, May 6th. Elementary School Boundaries can be found on the Kimberly School District website.

School safety is always on the forefront as we have many practices and procedures in place to make Kimberly School District as safe as possible. We can never become complacent and cannot do it alone, we need your assistance. If you see or hear something concerning, please report it to school administration or our local police.

Sincerely,

Luke

Luke Schroeder,
Superintendent
