

Kimberly School District #414
REGULAR BOARD MEETING FY23

WEDNESDAY, JUNE 14, 2023

ITEM# 8-4 STUDENT HANDBOOKS CELL PHONE USE POLICY

At the May board meeting, KHS requested a change to their cell phone policy which would be aligned with the other buildings in the district that would only allow the use of phones before and after school, during passing periods, and at lunch. Use of cell phones during class time would be prohibited. The school board elected to table this decision and requested that Mr. Gonzales research the topic further. Mr. Gonzales has provided the board via email with sample policies from other schools as well as research on the matter. Additionally, Mr. Gonzales will be at the meeting to provide a synopsis of his research and answer any questions the board may have.

Recommendation: The administration recommends that the Kimberly School Board of Trustees approve the proposed student handbook cell phone policies.
