

BOARD MOTION

Whereas the Board recognizes that juvenile's access and use of social media is a national and local problem which is alleged to have contributed to the mental health crisis, including students of the District, which likewise impacts the operation of the District; and whereas multi-district litigation is pending against multiple social media companies, in Federal Court; and whereas the Board, having considered the inclusion of the District in this multi-district litigation and having found it to be in the best interest of the District and its students, I hereby move that the Board take all necessary steps to join this lawsuit as a Plaintiff and hereby authorize and direct the Board's Chairman and/or the Superintendent to execute all necessary documents to that end.
