ITEM#9-2 2ND AND FINAL READING ADOPT POLICY 2318 USE OF COMMERCIALY PRODUCED VIDEO
RECORDINGS/VIDEO CLIPS

I have consulted with our principals, utilizing the ISBA model policy, to create a proposed policy for the use of Commercially Produced Videos and Video Clips for instructional purposes. With the advent of platforms such as YouTube, video clips have become a valid text type that students must become competent. This policy provides a framework for the appropriate use of videos.

Recommendation: The administration recommends that the Kimberly School Board of Trustees approve the 2nd and final Reading of Adoption of Policy 2318 Use of Commercially Produced Video Recordings/Video Clips.
