Positive Behavior Interventions and Support (PBIS)

2023 Behavioral Data

Kimberly Elementary School

Negative behaviors occurring more on Wednesdays and Thursdays.

Most often around 2:00 and right after school.

The classroom and playground are the top locations for misbehavior.

Stricker Elementary School

Most negative behaviors occur on the playground during lunch.

The classrooms cite disrespect and disruption as the most common incidents.

Mondays receive the most refocuses.

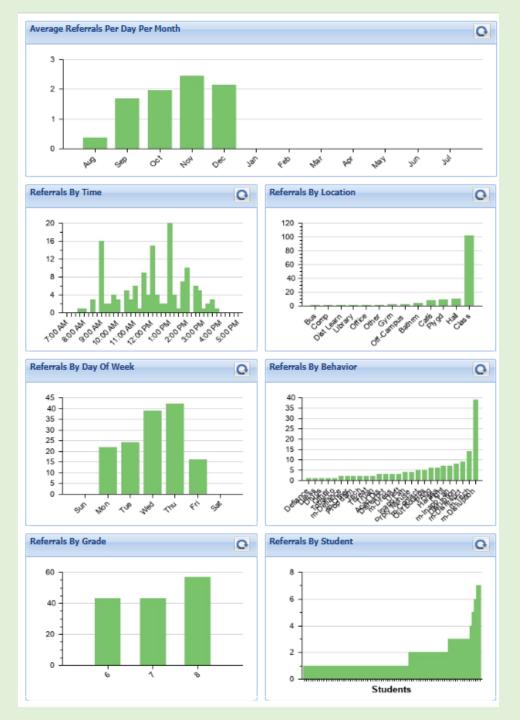

Kimberly Middle School

Negative behaviors appear almost always in the classroom before, during, and after lunch breaks.

Before second chance breakfast sees an uptick in behavior as well.

Generally behaviors are seen as minor disruptions.

Kimberly High School

The majority of behavior logs are attached to sophomores

Minor defiance tops the list and almost always happens in the classroom

Behaviors occur most between 10:30 and 11:30

High School students apparently misbehave more frequently on Mondays
