

Kimberly School District #414
REGULAR BOARD MEETING FY26

WEDNESDAY, OCTOBER 15, 2025

1ST READING REVISE 3612, 3612P DISTRICT PROVIDED ELECTRONIC SERVICES

This policy was reviewed and updated in collaboration with the district's Technology Director and cross-referenced with the ISBA model policy to ensure alignment with current legal and educational standards. Key updates include:

- **Clarified expectations** for student use of district-provided internet and network services.
- **Enhanced internet safety measures**, including compliance with the Children's Internet Protection Act and Idaho Code regarding harmful content.
- **Updated language** around monitoring, filtering, and supervision of student internet use.
- **Refined procedures** for email usage, software installation, and use of personal devices on district networks.
- **Strengthened data privacy and vendor agreements** for outsourced digital services.
- **Streamlined outdated or redundant language**, with several sections removed or revised for clarity and relevance.

These changes aim to support a safer, more effective digital learning environment while ensuring responsible use of technology resources.
