ITEM #10B5 MATH CURRICULUM ADOPTION

Matt Schvaneveldt has been working with KSD Curricular Materials Committee to form a recommendation to the KSD board for a new Math Curriculum Adoption. The committee is recommending that KSD adopt Houghton Mifflin Harcourt into Math for K-5. This includes a six-year contract for the electronic components and the cost will be \$285,386. We are recommending that the ESSER III Learning Loss money and general ESSER III money be utilized to make this purchase. Matt will provide the school board with more details on the proposed curriculum and Laurie can provide the ESSER III budget for your reference.

Recommendation: The administration recommends the Kimbelry School Board of Trustees approve the adoption and purchase of Houghton Mifflin Harcourt into Math for grades K-5.
