

Kimberly School District #414  
**REGULAR BOARD MEETING FY26**

WEDNESDAY, SEPTEMBER 17, 2025

**BUILDING PLANS FOR STATE ASSESSMENT PERFORMANCE**

\*\*\*\*\*

One of the Board's goals is for Kimberly School District students to perform above the state average on all state assessments. Tonight, each building principal will share their plans for strengthening student achievement in areas where performance was not above the state average. These plans focus on instructional practices, targeted supports, and progress monitoring to ensure continued improvement and alignment with the Board's goal.
