

Kimberly School District #414
REGULAR BOARD MEETING FY26

THURSDAY JANUARY 15, 2026

AGENDA 10-3 SCHOOL BOARD YEARLY GOALS

At the last meeting, the Board directed the administration to refine the KSD goals with key performance indicators. Over the holiday break, Trustee Leah Meeks took the initiative to complete that work. The Leadership Team has since reviewed and vetted the draft, which is now ready for the Board's consideration. Additional feedback and direction from the Board are welcomed and appreciated.
