ITEM#10B4 KEA REQUEST TO NEGOTIATE

The Kimbelry Education Association (KEA) has made request to negotiate for FY24. I recommend that we accept their request to negotiate salaries and benefits once they can provide proof they represent 50% +1, and Laurie and I are further along in the budgeting process, including a better projection of our revenues for the next fiscal year. **Furthermore, the KSD board will need to determine who will serve as part of the KSD negotiating team.**

Recommendation: The administration recommends that the Kimberly School Board of Trustees accept KEA's request to negotiate pending proof of 50% +1.
