

**Kimberly School District #414**  
**REGULAR BOARD MEETING FY23**  
**WEDNESDAY, APRIL 19, 2023**  
**ITEM# 10B7 TRACK RESURFACE RFP**

\*\*\*\*\*

Kimberly School District received one proposal to resurface the track which was from the Track and Turf Doctor. This was reviewed by Luke Schroeder, Ted Wasko, Zach Dong, and Brett Welch. The proposal was not complete as it did not include the runways for long jump, triple jump, pole vault, and the high jump pad. If selected, the Track Doctor intends to provide us with an updated proposal and has verified this project will be finished by August. Additionally, we have completed reference checks from a commercial builder and other schools that highly recommend the Track and Turf Doctor. The committee recommends we accept this proposal, pending the revised proposal. The Track and Turf Doctor is currently working diligently to have the new proposal completed prior to the board meeting. If we do not have the new proposal at the board meeting, I would recommend the board table this decision until we have a completed proposal.

Recommendation: The administration recommends that the Kimberly School Board of Trustees accept the RFP from the Track and Turf Doctor.
