

Kimberly School District #414
REGULAR BOARD MEETING FY26

THURSDAY, MARCH 19, 2026

AGENDA #11-1

2ND READING REVISE POLICY 2333 – PARTICIPATION IN COMMENCEMENT EXERCISES

This was tabled at the last meeting until a representative from HOSA could attend. HOSA has requested approval for members to wear graduation cords at commencement. Granting this request would require a revision to Policy 2333: Participation in Commencement Exercises to include HOSA as an approved organization with defined eligibility criteria.

Proposed eligibility requirements for earning a HOSA graduation cord:

- Minimum cumulative GPA of 3.0
- Participation in HOSA for at least two years (or senior year if joining as an upperclassman)
- Participation in club fundraisers
- Completion of at least four hours of service
- Demonstrated leadership within the organization
- Development of a healthcare-related goal and pathway
- Participation in at least one HOSA competition

All requirements must be met and verified by the HOSA Advisor prior to graduation.
