

Kimberly School District #414  
REGULAR BOARD MEETING FY24

THURSDAY, MARCH 21, 2024

ITEM# 11-2 READING ADOPT POLICY 9450 FIREARMS

\*\*\*\*\*

Arming staff is a discussion that the KSD Board of Trustees started last spring, including a presentation from a Xavier charter school that allows staff to carry a firearm. The proposed policy has been modeled after the Xavier Charter School and reviewed by the KPD, individuals that have SWAT team experience/certified trainers, and legal counsel, Amy White.

HB 415 was recently voted down in the Senate State Affairs Committee. Therefore, it does not look like there will be any laws to incorporate in the district policy. The KSD board will have autonomy and discretion in creating firearm policy.
