

Kimberly School District #414
REGULAR BOARD MEETING FY26

THURSDAY JANUARY 15, 2026

AGENDA # 11B8 ROUTE 3 OUT OF DISTRICT AND PRIVATE PROPERTY TURN AROUND

A new residence has been constructed on Route 3, located on a dead-end road. In order to safely pick up students at this location and complete a turnaround, the bus will need to travel approximately $\frac{1}{4}$ mile outside of district boundaries and use a turnaround on private property. The property owner has granted permission for this use. Similar arrangements exist elsewhere in the district; however, this action requires School Board approval. Matthew Searby will be present at the meeting to provide further details and answer any questions.
