

Kimberly School District #414  
REGULAR BOARD MEETING FY24

THURSDAY, SEPTEMBER 21, 2023

ITEM#11B-11

1ST READING REVISE POLICIES 3141 AND 3142 OUT OF DISTRICT AND IN DISTRICT TRANSFERS

\*\*\*\*\*

The proposed revisions to policies 3141 and 3142 reflect the changes made to Idaho's Open Enrollment law. The new law sets a straightforward process for denials and revocations of open enrollment. It also requires each school district to create capacity limits for each grade level and program, including special education and to post those limits on their website. The proposed revisions reflect these changes. Lastly, in-district and out of district students are to be treated the same, there is no need for an in-district transfer policy as all requests will be considered open enrollment.

Recommendation: The administration recommends that the Kimberly School Board of Trustees approve the 1<sup>st</sup> reading of Revisions to policy 3141 and 3142 Out of District and In District Transfers.
