

Kimberly School District #414
REGULAR BOARD MEETING FY26

THURSDAY, JULY 16, 2026

AGENDA #12B-2

FY27 BOARD MEETING DATES

As the District begins Fiscal Year 2027, the Board is asked to establish its regular meeting schedule for the upcoming twelve-month period. Establishing meeting dates in advance provides consistency for trustees, staff, and the public, while ensuring adequate notice and planning for district business.

In accordance with the Board's practice, the meeting schedule will be reviewed again during the January organizational meeting following the election cycle. At that time, the Board will consider and establish meeting dates for the subsequent twelve-month period to reflect any changes resulting from board reorganization or other scheduling needs.
