

Kimberly School District #414
REGULAR BOARD MEETING FY26

THURSDAY, JUNE 18, 2026

AGENDA#12B2

APPROVE FY27 STUDENT HANDBOOK/FEE SCHEDULES

The Board of Trustees will consider the annual approval of student handbooks and associated fee schedules for each school within the district for the upcoming school year.

Each school principal has reviewed and updated their respective student handbook for the upcoming school year. The student handbook serves as a primary communication document for students and families and functions as an extension of Board policy. Upon approval by the Board, the provisions contained within the student handbooks are considered adopted standards for student expectations and school operations for the upcoming school year.

In addition, the Board will review and consider the student fee schedules for each school.
