

Kimberly School District #414  
REGULAR BOARD MEETING FY24

ITEM#12B2: RISE REQUEST FOR K-3

\*\*\*\*\*

Currently, the charter for RISE Charter School allows for RISE to have 50 students per grade level in grades 4-12. This has become challenging for RISE to recruit KSD students to RISE in the 4<sup>th</sup> grade as those students/families that are satisfied with KSD do not always want to change schools as relationships have been created with staff and peers. Therefore, RISE is requesting a revision to the charter that would include less students per grade level and expand from 4-12 to K-12. Overall, total student enrollment would remain the same per the Charter.

Recommendation: The KSD Administration recommends that the Kimberly School Board of Trustees approve the revision of the RISE Charter to decrease the number of students per grade level and expand from grades 4-12 to K-12.
