

Kimberly School District #414
REGULAR BOARD MEETING FY26

THURSDAY, FEBRUARY 19, 2026

AGENDA #12B4 FIBER RFP

Approval is requested for PMT to be selected through the RFP process to provide fiber services using E-Rate Category 1 funds. Category 1 E-Rate supports broadband and wide area network connectivity services for schools. The E-Rate program requires a specific RFP procedure and evaluation process, and proposals were reviewed using a defined scoring matrix to ensure compliance and fair selection. While firewall services were also submitted as part of the responses, those are considered a Category 2 E-Rate item and will be issued through a separate bid process.
