AGENDA# FY27 RISE MOU AND RENTAL AGREEMENT

The Board of Trustees will conduct its annual review of the Rental Agreement and Memorandum of Understanding (MOU) between Kimberly School District and RISE Charter School.

The Rental Agreement has been updated only to reflect the applicable dates for the upcoming school year.

The MOU includes a minor addition clarifying that RISE students who choose to take classes at Kimberly High School will be treated as non-resident students for purposes of enrollment and attendance at those classes.

Administration will review the updated agreements with the Board and seek approval.
