

Kimberly School District #414
REGULAR BOARD MEETING FY26

THURSDAY DECEMBER 18, 2025

AGENDA # 12B5 APPROVE HVAC UNITES FOR COMMONS

The two HVAC units serving the Kimberly High School Commons have reached the end of their useful life. In addition, the associated ductwork for these units also requires replacement. This project qualifies for the use of modernization funds.

Estimates were requested from Brizee, Terry's, and SSC Mechanical and HVAC. SSC submitted the lowest bid, and the District has had positive past experience working with SSC. It is recommended that the Board approve the estimate from SSC Mechanical and HVAC.
