

Kimberly School District #414  
REGULAR BOARD MEETING FY24

THURSDAY, MARCH 21, 2024

ITEM# 12B7 REVISE

\*\*\*\*\*

KHS student sponsored club, Kimberly Mountain Bike Club, is requesting that their club be allowed to wear Kimberly Mountain Bike cords during the graduation ceremony. Per board policy, the ceremony's attire is specific, including which groups can wear cords to keep accessorizing to a minimum. As the Kimberly Mountain Bike Club is recognized as a student led club at KHS, it is recommended that this group be added in policy to the groups that are allowed to wear cords at the graduation ceremony. This club has included the criteria for qualifying to wear their cords at graduation. Draft revision of policy 2333 Participation in Commencement Exercises has been made to reflect this change. This is recommended as a first and final reading, as it is time sensitive.

Recommendation: The administration recommends that the Kimberly Board of Trustees approve the first and final reading of revisions of Policy 2333 Participation in Commencement Exercises.
