REGULAR BOARD MEETING FY27
THURSDAY, AUGUST 20, 2026
AGENDA# 12B7 – FY27 SUPPLEMENTAL CONTRACTS

Discussion and possible action regarding FY27 supplemental contracts. Regular FY27 contracts were approved earlier this summer; supplemental contracts were held until the August meeting due to the frequency of changes in coaching and advisor assignments leading up to the school year.

Contracts presented for approval at this meeting are limited to **certified staff serving in advisor or coaching roles who receive supplemental pay throughout the school year, as well as Fall coaching positions**. Supplemental contracts for **Winter and Spring coaches** will be presented to the Board for approval prior to the start of the respective seasons.
