ITEM#8-2 FIREARM POLICY-WORK SESSION FOR Q&A WITH XAVIER CHARTER SCHOOL

At the May School Board Meeting, it was determined that the Board of Trustees would like to pursue the creation of a firearm policy that would “arm” staff for their consideration at a later date. Prior to creating said policy, there was a desire to hear from Xavier Charter School that has implemented such a policy. Unfortunately, Xavier’s regular scheduled board meetings are the same as KSD, the third Thursday of each month. Would the KSD board prefer to have a special meeting/work session with the Director and Board Chair of Xavier which would include a brief presentation followed by Q&A, or would the KSD board prefer to have 1-2 board members and KSD administration meet with Xavier for the same presentation which would not require a posted meeting as there would not be a quorum?
