

Kimberly School District #414  
**REGULAR BOARD MEETING FY23**

WEDNESDAY JUNE 14, 2023

**ITEM# 9B9 ACTIVITIES ADVISORY COMMITTEE CTE SUBCOMMITTEE REPORT**

\*\*\*\*\*

Approximately 18 months ago the Kimberly School Board of Trustees developed the Activities Advisory Committee with specific goals to investigate and report back recommendations to the school board for final approval. The first subcommittee report will be from the CTE group. The athletic and fine arts subcommittees reports will happen at the next two scheduled board meetings. The board may consider listening to all of the subcommittee reports prior to taking action. However, the board may want to discuss how to incorporate these recommendations. Example, is this something you would like incorporated into the district's Long-Range Plan?
