Purpose and Objectives

4. Brief Description of the Project/Initiative *(Provide a concise overview of what you are planning to do)* *

Exterior signage on the round building for Kimberly School District Administrative Offices

5. Goals and Objectives *(Describe the specific goals and objectives of the project/initiative and how they align with the district's mission and support student learning)* *

The Kimberly School District Administrative offices are located in the round building, which currently lacks exterior signage. To ensure consistency with other district facilities, we are requesting financial support to install signage that aligns with the branding and design of RISE Charter School and Kimberly Preschool. Clear, visible signage will enhance the accessibility of the district offices, making it easier for patrons and community members to locate and identify the building.

11. Expected Outcomes *(Detail the expected impact on student learning and academic experience) **

Improved Visibility and Accessibility: – Clear signage will make it easier for patrons, community members, and visitors to locate and identify the Kimberly School District offices. Consistency in Branding: – The new signage will align with the existing signage at RISE Charter School and Kimberly Preschool, creating a cohesive and professional appearance across all district buildings. Enhanced Community Engagement: – Clear identification of the district offices will encourage greater community interaction by removing potential confusion about the building's purpose. Increased Operational Efficiency: – Reduced confusion for visitors will minimize the need for additional directions or assistance, allowing staff to focus on their primary responsibilities. Positive Public Perception: – Consistent and professional signage reflects a commitment to accessibility and community service, enhancing the district's image within the community.

12. Evaluation Plan *(Describe how you will assess the success of the project/initiative) **

Signage Installation Review: – Confirm that the new signage is installed accurately, meets quality standards, and aligns with the design of RISE Charter School and Kimberly Preschool. Visual Inspection: – Conduct periodic inspections to ensure the signage remains in good condition and continues to meet the district's branding and visibility goals.

Additional Information

13. Previous Funding *(If applicable, list any previous funding received for similar projects/initiatives and their outcomes)* *

Funding for similar projects has traditionally come from the District operating budget. Previous signage installations have successfully improved building visibility, ensured consistency across district facilities, and helped patrons easily locate offices and services. We anticipate that adding signage to the Kimberly School District office will provide similar benefits, enhancing accessibility and maintaining a cohesive, professional appearance.

14. Additional Comments *(Include any other information that may be relevant to the board's decision)* *

Adding exterior signage to the Kimberly School District office is essential for ensuring consistency across all district buildings and improving accessibility for patrons. Clear, visible signage helps those who are new or unfamiliar with the area easily locate the district offices, reducing confusion and enhancing the overall visitor experience. Consistent branding across district facilities also reflects a professional image and demonstrates our commitment to serving the community effectively.
