

BREAKING NEWS

All students EAT FREE

Effective September 8, 2020

We are excited to announce that on Monday, August 31st, USDA approved funding to feed ALL children, ages 0-18, with breakfast and lunch at no cost through December 2020 or until USDA funds are exhausted.

Starting in January 2021, Kimberly Students will revert back to their regular approved meal status.

For those children (ages 0-18) not enrolled in Kimberly School District, breakfast and lunch will be available from 12:15-12:45 PM at KES and SES bus pick-up lines.

We are happy to share this good news with parents during these trying times and hope this helps make a difference and ease the burden. Thank you for letting us feed your kids. Student participation keeps our programs operating.

For those families that have not already submitted a Free/Reduced Meal Application for the 20-21 school year, we encourage you to do so as it helps with Title 1 funding & grants for our school district.

If you have questions, please reach out to the Kimberly Food Service office at 208-423-4170 ext. 3341.
