#### **Community Nativities**

The tradition of Community Nativities in Kimberly spans many years and we are excited to welcome it back again this year during the Annual St. Nicholas Festival. Community Nativities is a great way to start the holiday season and provides just a small glimpse into the world around us. In years past we have been fortunate to have showcased many unique nativities from very simple to intricate and elaborate. Community members have shared handmade nativities and even heirlooms. Without your support, this Community Nativity celebration would not be possible. If you would like to have your nativity displayed in this year's Community Nativity celebration, contact Morgan Godfrey at <u>ssource1001@gmail.com</u>

Nativities should be brought to the Kimberly School District Office/Round Building on Saturday, December 3rd between 10AM-2PM. Supervision will be provided for all nativities throughout the day and during the St. Nicholas Festival event.

Community Nativities can be viewed by the community during the Annual KBOA St. Nicholas Festival on Saturday, December 3rd from 5PM-7PM. KBOA'S 16TH ANNUAL

#### **Music/Performance Opportunities**

'Twas just weeks 'til the festival, and all through the town Entertainers were needed, but would they be found? Flyers were posted in stores and websites In hopes that musicians would be like the limelight

Performers were huddled all close in the street While visions of stage seemed oh so sweet; A dancer on point, a poet in black Had just finished rehearsing their parts in the back

When out in the crowd there arose such applause It was my turn to go, so I didn't give pause Away to the stage, how quick I did scoot I sang, and I dance, and then played my flute

The clapping and cheers in my ears I did hear Such crowds I had thought might never appear When what to my wondering eyes I did see A community together celebrating Christmas with me.

If you are interested in performing at this year's Annual KBOA St. Nicholas festival contact Caroline Riley at <u>mymakona@gmail.com</u>.

Performances will take place on an outdoor stage, indoor stage and the round building.

We hope that you will share your talents with us as we come together to celebrate this holiday season!
