Purpose and Objectives

4. Brief Description of the Project/Initiative *(Provide a concise overview of what you are planning to do)* *

Jae Foundation Senior Boots Initiative- the seniors went to the Jae Foundation on Sept. 8-9 to experience Jae's Story and receive their own senior boots. These boot serve to remind the students that they are loved and valued. The mission of the foundation is Suicide Prevention.

5. Goals and Objectives *(Describe the specific goals and objectives of the project/initiative and how they align with the district's mission and support student learning)* *

All seniors are invited to attend this event and receive boots, regardless of the ability to pay. The charge for each pair of boots is \$25. We had 20 seniors unable to pay for their boots, but it was important to me that all students have the opportunity to hear Jae's story and should they be moved to have a pair, receive them. We have students who wear their boots often and it is a conversation starter between staff and students. Sometimes they wear them because they are having a rough day and we can acknowledge it and let them know they are loved.
