

**THE TRACK & TURF
DOCTOR**
RUNNING TRACK & TURF SPECIALISTS

School: Kimberly High School
885 Center St W
Filer Kimberly, ID 83341

April 20th 2023

This updated proposal is based on Davis Bacon Wages

Bid includes:

- All labor and materials are included in the final price.
- A 5-year warranty on all new Track Systems

The Track Doctor's scope of work does not include:

- Design/Shop Drawings (Additional Charge)
- Asphalt survey and certification
- Bonding (add 3% to surface if bonding is required).

Scope of Work Option 2.

Remove and Dispose of Old Track Surface

Repair Cracks in Asphalt

Clean and Prime Asphalt

Apply 13mm Track Surface (Color Black)

Apply Two Coats of Pigmented Coating For Added Strength and Durability

Paint Track To State and National Standards

Total \$197,868.00

Alternate For New Long Jump and High Jump Addition (See Attachment)

Please Note that during construction:

- All Water systems must be turned off so no water falls on the rubber surface
- New Asphalt and/or concrete must have 28 days prior to receiving the new surface. The Track Doctor assumes all asphalt and concrete has been properly installed, surveyed, approved, and certified.
- While surfacing and striping are being done, no activities or contractors will be allowed on the track.

If you have any questions regarding this proposal, please do not hesitate to contact me at the number below.

Best Regards,

Robert Stone
