Thank you for taking the time to conder my funding request. This will be the second time that I have asked the board to help the Ops. Dept in purchasing a piece of equipment. One of my goals in taking my current position was to upgrade the maintenance department in an effort to gain efficiencies and equipment is a big part of that. The KSD grounds/facilities are offered up to the community as somewhat of a parks & rec department which I believe brings a certain sense of pride to the school board. Given that, the Maintenance Dept winds up supporting all of those activities I would ask that the board consider awarding the funds for this tractor.
