See full report for additional information.

SRO REPORT: Officer Alex Arrington was in attendance to provide his first report to the board as the district SRO. He started off by stating that it has been a great first year. In addition to participating in multiple sport send offs, school games, dances and parades, Officer Arrington attended the NASRO Basic SRO class in January of 2022, as well as NASRO advanced SRO class in June 2022. Both of which were very educational and helped with his understanding of school districts. Total cases in the 2021-2022 school year were 44 which in his opinion, is a small amount. These statistics include off campus incidents during school hours or right before/after school.
