

# Stricker Elementary School

Steve Hill, Principal Krystal Howe, Vice Principal  
Brittany Dyer, Counselor

## MESSAGE TO PARENTS AND STUDENTS

The information in this handbook is designed to provide valuable details regarding elementary school procedures and the rights and responsibilities of students at Stricker Elementary. I hope it serves as a resource for you and your child during the school year.

The information in this handbook is in accordance with Kimberly School Board policies and copies are available on the Kimberly School District Website. Please read this handbook and the inserted pages carefully with your child at home to become familiar with the school's procedures. We ask that you and your child sign and return the enclosed handouts to indicate that you have read this information and realize your responsibilities.

The success of our school also depends on positive collaboration between home and school. So, I invite you to visit our school often, take part in school activities, and show an interest in your child's progress. Please contact your child's teacher, principal, or vice principal if you have any questions or concerns. It is my sincere wish that we will all work together in fostering positive learning experiences for students.

We are looking forward to another great school year!

Sincerely,

Steve Hill, Principal

## SCHOOL MISSION STATEMENT

“Educating students for the needs and challenges of today and tomorrow.”

## STRICKER BELIEF STATEMENTS

- All students can learn and should be provided with a variety of instructional approaches.
- Each student is a valued individual with unique physical, social, emotional, and intellectual characteristics. All students and faculty members have the right to be treated with dignity and respect.
- A safe, comfortable environment is essential for quality instruction and student learning.

## STRICKER PARENT-STUDENT-TEACHER COMPACT

The teachers of Stricker Elementary School will:

- Believe that each student can learn.
- Show respect for each child and his or her family.
- Help each child grow to his or her fullest potential.
- Maintain lines of communication with students and parents.
- Seek ways to involve parents in the school program.
- Demonstrate professional behavior and a positive attitude.

The students of Stricker Elementary School will:

- Always do their best work and use their best behavior.
- Show respect for self, school grounds, and other people all teachers and support staff.
- Believe that they can and will learn.

The parents/guardians of Stricker Elementary School will:

- See that their child attends school regularly and arrives on time.
- Communicate regularly with their child’s teachers.
- Support the school in developing positive behaviors.

- Show respect and support for their child, the teacher, and the school.

## STRICKER CITIZEN CODE

A Stricker Elementary School student . . .

- is respectful and considerate.
- is responsible.
- is on time and prepared for school.
- is aware that he/she is to respect the word of any adult and speak courteously to him/her.
- obeys the bus driver's directions.
- enters the building only at appropriate times and with a teacher's permission/supervision.
- does not use bad language.
- shares the play equipment and takes turns.
- practices safe behaviors at all times.
- walk quietly at all times inside the building.
- asks for the teacher's permission to leave the classroom.
- is considerate of others by talking in a low voice inside the building.
- leaves gum, candy, and toys at home.
- uses the restrooms only for those purposes for which they were designed.
- dresses appropriately.

## Absolutes

“ABSOLUTES” are major infractions of school rules for which students will be sent home automatically for a period of time. The “ABSOLUTES” for Stricker Students are:

- Intentional acts of violence or harassment to any person,
- Alcohol, drugs, or tobacco or anything that is made to appear like alcohol, drugs, or tobacco.
- Weapons or items that are used as weapons.

## Academic Learning Time

Stricker Elementary School will make every effort to reduce disruptions to the school day, and we ask parents to do the same. Extra activities must relate to the curriculum, standards and benchmarks, as well as the school's mission and belief statements.

## Arrival at School

When students come in from the bus, use the yellow doors by the lunchroom, head through the hall to the playground or breakfast. When dropped off by parents, use the gate to the playground. When arriving at school, students should not arrive with any sugary drinks (energy drinks, soda, coffee, etc.)

## Assemblies

Appropriate behavior in public settings exemplifies a valuable social skill. Interfering with assembly participation goes against school expectations of responsible citizenship. During assemblies we ask all students to sit respectfully and attentively without talking during the presentations. We expect parents to also model this behavior for their children during the assembly. Please avoid yelling, talking, stomping feet, or using artificial noise makers during assemblies. Applauding to show congratulations or appreciations is appropriate and encouraged.

## Attendance and Tardies

### REGULAR ATTENDANCE MATTERS!

Regular attendance is critical to your child's education. Disruptions to your child's school attendance can have a significant impact on their academic performance. Please see that your child attends school every day. If your child must be out for part of the day due to illness, medical/dental appointments, bereavement, or on religious holidays, please have your child return for the remainder of the day as much as possible. Your child should attend school consistently and should be absent only for illness or emergencies. Please do not schedule extended family vacations during school time.

The KSD attendance policy states that every pupil must attend school regularly to achieve the goal of maximum educational benefits. Attendance Letters from KES will be mailed home each month starting in October to the homes of those students who have shown excessive attendance challenges. When a child is excessively absent, a principal-teacher-parent-student conference may be held. If the problem continues, students with excessive absences may be referred to a school level attendance review committee to determine if a recommendation to truancy court is appropriate to assist students in getting to school regularly.

### WHAT TO DO IF YOUR CHILD IS GOING TO BE ABSENT

1. If the child will be absent and you know ahead of time, please email your absence to the classroom teacher no later than 7:00 AM of the day that your child will be absent. Any time after 7:00 please call the front office at 208-423-4170 ext 3035. If we don't answer leave a message and we will mark the attendance accordingly.
  - When you call, please clearly state:

- ♣ Your name
  - ♣ Your child's name
  - ♣ The name of the classroom teacher
  - ♣ The reason for absence
  - ♣ Duration of absence
2. Let us know if your child has a contagious disease, confirmed by your child's physician, so we help make sure that we watch out for any outbreaks in the classroom our school.
  3. In the case of illness, please provide the front office with a note from your physician indicating when your child needs to be absent from school and when they can return. This will become even more important should multiple days of absences be needed for healing.
  4. A child who is absent due to a fever must be symptom free for 24 hours (without fever reducing medications) before returning to school.

### WHEN STUDENTS ARE LATE

We expect students to arrive at school on time. A student entering class late not only impacts his/her own learning but also disrupts the flow of the classroom and the entire community of learning. A student shall be considered tardy if he/she is not in the classroom when the tardy bell rings. Upon arrival, tardy students must check in at the office accompanied by a parent/guardian. If your child has several tardies, the school office will send home a letter. If your child has excessive tardies and efforts have not improved, a principal-teacher-parent-student conference may be held. If the excessive tardies continue, you may be referred to a school level attendance review committee. Please teach your child punctuality.

### PICKING UP YOUR CHILD EARLY

If you need to take your child out of school before the end of the school day:

- \* Go to the school office. Sign the checkout list at the office front counter.
- \* The office staff will then call the classroom, and your child will meet you in the front foyer.
- \* All adults must be prepared to show photo identification.
- \* We will not release a student to anyone except the parent, legal guardian, or a person you have authorized to pick up your child.

This simple procedure protects your child.

## Bad Weather

All students should dress appropriately for the weather. We do go outside most days even when it is cold and wet. There are numerous benefits to outdoor play. When the weather is extremely cold and wet, or the air quality is poor, students may be allowed to enter the building. In case of extremely poor weather where roads may be impassable, the school may be closed. On such days, information will be relayed to parents with our automated calling system. Parents may also get updates on our district's websites, or it may be broadcast over the radio or television. See Policy #3515 for further details.

## Bicycles/Roller Blades/Skateboards/Scooters

Bicycles may be ridden to school and should be locked on the bike rack. SES is not responsible for lost or stolen equipment. For safety reasons, bicycles, skateboards, rollerblades, "Heelys" and scooters should not be ridden on the school grounds during school hours (8:00 a.m.-3:30 p.m.).

## Birthdays, Parties, and Invitations

Please contact your child's teacher for appropriate guidelines if you are planning to celebrate a birthday at school. When bringing treats to Stricker, please visit the classroom teacher to learn about any food allergies. Treats will be dropped off at the office unless prior arrangements are made with the classroom teacher. Invitations to after-school or weekend birthday parties should not be handed out at school. Students going to an after-school party need to make other transportation arrangements. Buses may not be used as we cannot accommodate those specific transportation requests. Our Elementary has 3 holiday parties during the year: "Harvest Party" in October, "Christmas Party" in December, and "Valentine's Day Party" in February. Please remember on these holidays we cannot deliver gifts to the classroom. Also, items/gifts such as balloons, food, and glass may not be taken home on the bus. It is best to give gifts to your child at home.

## Cell/Watch Phones and Screens

We at SES are committed to providing the best learning environment free from distractions. We recognize that cellphones/watches are becoming a major contributor to distractions in the learning environment. We also recognize that some parents provide their children with cell phones/watches for safety reasons. Therefore, we understand that some students will bring their cellphones/smart watches to school. Students can call their parents immediately upon arrival before school starts or after dismissal at the

end of the day. Other than that, cell phones should remain turned off and stowed away during the school day including breakfast, lunch, and all recesses.

Cell phones/Smartwatches:

- May not be turned on or used during instructional time.
- May not be turned on or used during lunch or recess.
- May not be used or turned on in the bathrooms
- May not be used during emergency drills.

Students should not call, text, or message during the school day. If students need to reach a contact, they can use one of the phones in the main office. This will help minimize distractions and help with clear communication with the school.

You can help us enforce this policy by NOT texting or calling your children during the school day.

To maintain a good learning environment, SES may implement the following consequences:

- When a phone/watch is visible or used during the school day:
  - 1<sup>st</sup> offense: the student will be reminded of the policy and instructed to turn off and put away the device.
  - 2<sup>nd</sup> offense: Students will be required to take their phone/watch to the office. The parents will be contacted and must come get the device.
  - Continued Offenses: The student will be placed on a cell phone/watch contract to turn their phone into the office each morning before school and pick it up after school at the end of the day.

**\*\*The school is not responsible for lost, stolen, or damaged cell phone/watches\*\***

## Child Abuse

School staff are considered mandatory reporters for suspected child abuse and suspected neglect. Our Elementary School staff will report suspected child abuse and suspected child neglect.

## Communication

We encourage parents to be actively involved and informed of their child's educational program. We have multiple ways to communicate, and we encourage parents to use

these different methods. We have the use of phones, texting applications, email, and PowerSchool for communication needs. Please do not wait if you have a question or concern, contact the teacher or school right away. You can find more information by logging on to [www.kimberly.edu](http://www.kimberly.edu) and selecting the Stricker Elementary page. The link to PowerSchool for parents is on the district main page. You can access your child's grades using this link. It is password protected, so call your child's school. In addition to our website, you can stay up to date by following Stricker Elementary on Facebook. All teachers at Stricker will use Remind in their classroom and communicate with parents. Grades 4 and 5 might also use Canvas for instruction as our secondary schools.

## Computers

Students and parents must sign the Kimberly School District Accepted Use Policy to have complete and full computer privileges at our elementary school. We use computers daily, so it is essential that students and parents understand appropriate uses of computers.

## Discipline

Stricker Elementary has three expectations for all students and staff. We as Stricker Bulldogs are Respectful, Responsible and Safe. Every Bulldog, Every Day. When a student's behavior is not respectful, responsible, or safe, he/she will have learning opportunities to correct their behavior and learn to make better choices. We believe that all students can learn to be Respectful, Responsible and Safe.

Our school response to challenging behavior may include:

- Remind, Reteach, Redirect, and Refocus opportunities
- Reflective activities and restorative practices
- Detention, or suspension
- Loss of privileges
- Mediation activities
- Participation in skill building activities
- Other restorative justice practices.
- Reference [Policy 3310](#).

## Dress Code

We ask that students wear clothing that is not disruptive to the educational process. Students wearing clothing that does not adhere to the guidelines indicated below will be

asked to change, cover up, or be sent home. Apparel, jewelry, accessories, or any manner of grooming which, because of its cut, color, the way it is worn, its trademark, or any other characteristic, denotes membership in a gang that advocates illegal or disruptive behavior is prohibited. See Kimberly School District [Policy 3224](#) for minimum requirements.

## Drug Free School

The Kimberly School District is a drug-free zone. The use of tobacco in buildings, on district property, and on school sponsored activities/field trips is prohibited. The possession and use of alcohol and illicit drugs by students at school or while attending any school activity is prohibited. Disciplinary sanctions up to and including expulsion and referral for prosecution will be imposed on students who violate these policies. Compliance with all district policies concerning alcohol and illicit drugs is mandatory. The building principal will handle each drug and alcohol infraction individually considering the student's current school year disciplinary history

## Enrollment Requirements

Parents or guardians enrolling a student in the Idaho Public School System are required to provide the school with an official certificate of birth for the enrolling child. In the Idaho Public School System, parents or guardians are also required to immunize their children following recommendations by the State of Idaho and have a copy of their immunization record in their school file. [Policy 3525](#) Students not living in the district/boundary will need to complete an open enrollment application.

New students to the district will need to provide proof of residence (power bill, telephone bill, etc.). Students who move from the district during the year must complete an application to continue the school year as an open enrollment. Continued enrollment is subject to district policy concerning “admission procedures” as a “non-resident”.

Students/parents who falsify their address will be asked to withdraw immediately after the school becomes aware of their actions. [Policy 3141](#); [Policy 3141F](#)

## Guns/Weapons

Any student bringing to school (or having in their possession) guns, knives, explosive devices, weapons, or items that can be used as weapons may face suspension, expulsion for up to one full school year, and/or criminal charges. Toy weapons are also not allowed at school.

## Head Lice

Our staff and parents will work to prevent the infestation and spread of head lice by doing the following: 1) Encouraging students to store Coats, backpacks, and hats in designated areas. 2) If a teacher recognizes the normal symptoms of lice, parents will be contacted. They can either grant permission for a staff member to check for lice or not. The parent/guardian shall be notified of whether lice or nits were found. If signs of lice warranting treatment are found, the parent/guardian will be requested to begin treatment immediately. The notice shall state that prompt, proper treatment of the head lice is in the best interest of the student and their classmates. Students will not generally be excluded from school for having live head lice, provided treatment has begun. Exceptions may be made as determined appropriate and necessary by the district nurse. In no case will a student be excluded from school due to the presence of nits only in their hair.

## Homework

Homework is designed to motivate students and is assigned when individual or class needs can best be met through its use. Such assignments might include make-up work due to an absence, additional assignments designed to help students work to their potential, work planned to help students with a particular difficulty, and assignments made to encourage development of a skill or ability. Literacy is the foundation of all academic skills, so we ask that your child read at home daily. Please communicate with your child's teacher regularly regarding homework expectations.

## Lost and Found

Found items will be placed in designated areas in each school. Unclaimed items will be donated at the end of each quarter.

## Library

Students have access to excellent Libraries. They may check out a wide variety of materials. Parents should watch for lost or misplaced Library items and encourage children to return all items to school by their due date. A fee is charged for lost or damaged media materials. If parents have questions on library material, please refer to [Policy 2309](#).

## Medication

Prescription and/or over-the-counter medication brought to school must be in the original container and should be taken directly to the office with a note from home signed by a parent indicating directions for proper dispensing. Medication will be kept in a secure cabinet in the office and dispensed to the student only by designated office personnel. Classroom teachers cannot dispense medication.

## Notes to Stay In

If a child is physically unable to be outside, please send a note explaining the situation to his/her teacher. Children remaining indoors for recess longer than two days will need a written excuse from the doctor

## Parking

Parents and visitors should park in the visitor parking lot along Emerald or Polk Street in a legal parking area. Students should be picked up or dropped off in the designated pick-up lane. Parents picking up students from the parking lot should use the parking spaces and are asked to walk to pick up their students from the sidewalk.

## Pets

Students may bring pets to school for sharing if arrangements are first made with the teacher and administration. Parents should take the pet home as soon as the sharing period is over. Parents are asked to stay with their pet while it is at school. The school will follow **Kimberly Board Policy 2580: Use of Animals in Education Programs** when allowing animals to be allowed in the school.

## Playground Supervision-Before/After School

Playground supervision will be in effect from 8:00 a.m. until school starts and during recess. There will be no staff supervision after the buses leave at the end of the school day. Students should not be on the playground before 8:00 a.m. Please do not drop your child off before 8:00 a.m. unless they are eating school breakfast. Breakfast is available at 7:50 a.m. and can be accessed by entering through the yellow “bus doors” on the South side of the building.

## Lunch/Breakfast Program

A well-balanced breakfast and lunch are prepared daily in the Stricker cafeteria. All meals are nutritionally analyzed, and portions are set according to grade level. Fresh fruits and vegetables are included in the menus, and all hot foods are either oven baked or steamed to maintain the maximum amount of nutrients. Lunch menus will be posted monthly on the school website and available monthly on the website. Breakfast is available daily from 7:50 a.m. -8:15 a.m.

We ask parents to maintain lunch balances to ensure that their child is always able to eat lunch without worrying. It is best practice to pay ahead so that account balances are always positive. If you wish to pay online, there is a link on the school website for parents to be able to pay accounts using their credit or debit cards. Parents/Guardians may apply for free/reduced price meals by filling out the necessary paperwork available at the front office or accessed online. If you have questions about the lunch program, contact Carla Houge at ext. 3341.

If you send your child to school with lunch you have prepared at home, note that the school cannot heat your child’s lunch, so please plan accordingly.

## Report Cards/Conferences

Stricker Elementary has parent-teacher conferences twice a year, at the end of the first and second quarters. Report cards are given to parents during these conferences. Third and fourth quarter report cards will be sent home with the students in the third quarter. Report cards will be mailed home at the end of the fourth quarter unless the student has accumulated school fees such as lunchroom or library. Parents will need to pay any fees in person prior to receiving their child’s report card.

# Student to Student Sexual Harassment

Any behavior that can under the law and school district policy be defined as sexual harassment will not be tolerated at Stricker Elementary School. Behavior such as, but not limited to, unwanted kissing, ogling, inappropriate language with sexual innuendo, unwanted and inappropriate touching, etc., may be determined as sexual harassment.

## Telephone

Students are to use the school phone only in case of an emergency. We will assume that a note or permission from a teacher means that the call is an emergency. Students are not called from class to the phone except in extreme emergencies. Messages can be relayed to students through the office, but only in emergency situations. We will make every effort, but because of scheduling, the school cannot guarantee that all phone messages will be delivered.

If your student has a smart watch or cell phone, they are still required to follow classroom and office procedures for parent contact.

## Textbooks and Supplies

Textbooks are provided by Stricker Elementary for students to use during the school year. Students are responsible for textbooks, library books, one-to-one devices, and other school equipment issued to them. A charge will be levied for lost and damaged books or equipment. Students are asked to furnish pencils, pens, paper, and other items consumed on an individual basis. A complete list of supplies for each grade level is available in the Stricker Elementary School office and on the KSD Website.

## Toys and Electronic Devices

The school can assume no responsibility for toys and electronic devices brought from home. Children should keep toys and electronic devices at home. This will eliminate many students, teachers, principals, and parents' headaches due to lost, stolen, broken, or traded articles. Any sporting equipment brought to school for recess must be clearly labeled with first and last names with a permanent marker.

## Transportation

For the safety of our students, we will not allow students to change their normal transportation plans whether they ride the bus, walk home, or get picked up without a written note. Because teachers are busy teaching, sometimes emails and phone messages are not checked before dismissal. Hence, a note from home given to the teacher in the morning is best. The note must be signed by a parent or legal guardian specifically explaining the change. All notes must be verified through the school office prior to the student getting on a bus. Changes in daily routine should be kept to a minimum.

Notes given to the bus driver will not be accepted. Because space in the bus is limited, students will not be able to have additional students ride on the bus with them for parties or any other activities. If your child is having a party or activity please arrange, other than the school bus, to have them transported to the party or activity.

For safety reasons, it is important for all parents and guardians to have the names of all people permitted to pick your child up from school on your child's registration form. Once children are loaded on the bus waiting to depart the school, they must travel to their designated bus stop. Our bus drivers will not be allowed to release any students from the bus without the presence of a SES staff member or approval from the office staff. If the person picking your child up from the bus stop is not on your child's registration form, the bus driver will not release them.

Riding a school bus is a privilege extended to the students by the district. For the safety of all students, proper bus behavior must be observed by all riders. Students must obey the bus driver's directions. Failure to comply with bus rules may result in removal from the bus for a limited or permanent period of time.

## Visitors

We encourage parent/adult visitors - the only thing we ask is that you let the office/teacher know in advance. Visitors to students (i.e., cousins, out-of-town friends, younger or older siblings, etc.) will not be allowed. Adults are to register at the office upon arrival and must wear a visitors' pass while on the school grounds.

# Stricker Elementary Kindergarten Supply List

The following items are needed for each student in class. Please provide your child with these items to start school with. As items are used throughout the year and need replaced, teachers will notify you when more supplies are needed:

- 2 (24 count) box crayons
- 2 (10 count) box markers, broad line, classic colors
