SECURING OUR FUTURE (SOF) GRANT

This past summer Kimberly School District applied for and received a Securing Our Future (SOF) grant that allowed the district to complete secure vestibules in each building, install glass safety film at all entrances, and begin to update our camera system. The district would like to apply for the SOF Phase II grant and if received would allow us to add new cameras and replace those that are close to their end of life throughout district buildings.

Recommended Motion: I move to approve the SOF Phase II grant for the following:

- Kimberly Elementary - Replacement and infrastructure for 32 cameras totaling \$17,285
- Stricker Elementary - 3 additional cameras and infrastructure totaling \$2,610
- Kimbelry Middle School - Replace 45 and add 9 cameras and infrastructure totaling \$24,425
- Kimbelry High School - Replace 43 and add 4 cameras and infrastructure totaling \$24,760
- RISE Charter School - 3 additional cameras and infrastructure totaling \$6,605
