SUPPLEMENTAL

LEVY RENEWAL

Details:

- **History:** Community approved for over a decade.
- **Amount:** \$800,000 since 2021.
- **Purpose:** Support annual cost of running the District.
- Not a tax rate increase.

Taxpayer Information

The estimated average annual cost to the taxpayer on the proposed levy is a tax of \$68 per \$100,000 of taxable assessed value, per year, based on current conditions.

The proposed levy replaces an existing levy that expires on June 30, 2024, and that currently costs \$68 per \$100,000 of taxable assessed value. Therefore, if the proposed levy is approved, the tax per \$100,000 of taxable assessed value is not expected to change and will be in place for two years.
