## STUDENTS 3340-R

### Extra and Co-Curricular Chemical Use Policy

Extracurricular and co-curricular activities are subject to the supervision and regulation of the District. Participation in extracurricular or co-curricular activities is considered a privilege; not a right.

Students participating in extra and/or co-curricular activities, whether sponsored by the *IHSSA* or not, shall not use, have in possession, sell, or distribute alcohol, tobacco products, or illegal drugs, or abuse prescription or non-prescription drugs during their extracurricular seasons. These rules are in effect twenty-four (24) hours a day. If a student is charged with possession, or any student athlete found to be using, possessing, or under the influence of alcohol, tobacco products, and any other illegal substance/paraphernalia, the student will be given two options:

- Complete a suspension from the activities that is greater than 20% and less than 25% of the regular season scheduled event/contest/game in which the student will become ineligible for that period of time. Students who do not produce a negative drug screening within 30 calendar days will be removed from the team/activity for the remainder of the activity season in which the student was participating and the next activity season for which the student is eligible and qualified to participate. In addition, students, through the assistance of the school counselor, will develop a personal plan to stay drug and alcohol free and will meet to review the plan on a regular basis with the counselor as deemed necessary by school administration. Lastly, students will submit to weekly drug testing for the remainder of the activity season. During the suspension period students will be required to attend practices/meetings and will not travel with the team if the team leaves during the school day. Failure by the student to complete any of the above criteria will result in student being removed from the team/activity for the remainder of the activity season in which the student was participating and the next activity season for which the student is eligible and qualified to participate.
- Suspension from participation in all IHSAA-sanctioned activities for the remainder of the activity season.
