ITEM #9B3 BUDGET HEARING FOR SCHOOL MEALS

\*\*\*\*\*

The USDA will no longer be providing free meals for all students for the 22-23 school year. However, it is our understanding that this decision is somewhat in flux and may change by the beginning of the school year. With that being said, we do need to determine meal prices for the upcoming school year. Child Nutrition Supervisor, Carla Hogue, consulted with the state department for the proposed meal prices.

It is recommended that the Kimberly School Board of Trustees adopt the Child Nutrition Meal Prices for the 22-23 school year as presented.
