**ITEM #9B5 ISBE RESOLUTION CLASSIFIED SALARIES**

\*\*\*\*\*

As we all know there is a major labor shortage that has had a tremendous impact on the school district, and we are having a very difficult time competing with salaries offered in the private sector to recruit and retain employees. The Twin Falls School District is sponsoring an ISBA resolution to be considered at the annual ISBA convention in November. I am recommending that KSD co-sponsor this resolution with the TFSD.
