

Kimberly School District #414
REGULAR BOARD MEETING FY 18

WEDNESDAY, APRIL 16, 2020

ITEM # 10B8 WAIVE PORTIONS OF POLICY 5222B
EVALUTION OF CERTIFIED STAFF

Part of a teacher's summative evaluation is based upon student achievement. Specific to Kimberly is the Direct Writing Assignment. Due to the soft closure we will not be able to assess the DWA, ISAT, and other assessments used for the student achievement piece of the teacher's evaluation. Therefore, the administration recommends the following:

For FY20 the requirement to utilize the DWA on the student achievement portion of teacher evaluations be waived and provide flexibility to the evaluator to utilize what student data is available to determine the student achievement measure on teacher's evaluations.
