RE: Canyon Rim Ranch Subdivision

Dear Kelvan R. Luff:

The Kimberly School District has noted the request for review of the proposed Canyon Rim Subdivision. As this subdivision will be one lot of 3 acres, and a second lot of 65+ acres with no immediate plans for development, there are no concerns from the district. The school district neither supports, nor opposes the creation of this subdivision.

Please feel free to contact me with any questions.

Sincerely,

Luke Schroeder  
Superintendent
