RtI at KSD

The Search for Solutions

" Response to Intervention (RTI) is a multi-tier approach to the early identification and support of students with learning and behavior needs...

Struggling learners are provided with interventions at increasing levels of intensity to accelerate their rate of learning. "

RtI Action Network

"

Response to Intervention flourishes when educators implement the right practices for the right reasons.

What is our why behind RtI?

The Right Questions

- What is the fundamental purpose of our school?

- What knowledge and skills will our children need to be successful adults?

- What must we do to make learning a reality for every student?
