

Dear Members,

Great things are taking place at Kimberly High School.

The Seniors participated in College Application Week, during which every senior filled out and submitted at least one college application. We had a senior parent meeting and a financial aid seminar scheduled for the second evening of parent teacher conferences. Debbie Klug also had an Advisory meeting with the Senior class, during which she explained the Financial Aid process and FAFSA application.

Now few boasts about our students: The Girls' Cross Country team placed fourth in the state meet, while Henry Coombs took 12<sup>th</sup> place. Last weekend, Speech and Debate performed well at Hillcrest High School; many of the Kimberly members brought home trophies. The swim club competed in the state finals in Boise, and the girl's team took fourth place, while competing versus 4A schools. Girls basketball season has started with a loss to Burley and a win against Canyon Ridge. The girls will face tough opponent in Snake River on Tuesday.
