

Student Facilities

- A. The district aims to support transgender and gender nonconforming students by providing reasonable accommodations to transgender and gender nonconforming students.
- B. A transgender or gender nonconforming student may not be required to use a locker room or restroom that conflicts with the student's gender identity.
- C. An alternative arrangement for a transgender or gender nonconforming student should be provided in a way that protects the student's ability to keep their transgender status private.
- D. An accommodation regarding the use of facilities, including restrooms and locker rooms by students, requires that the principal consider numerous factors, including, but not limited to:
 - 1. the student's preference;
 - 2. the student's privacy;
 - 3. the effects on the social integration of the transgender or gender nonconforming student; and
 - 4. the desired result of minimizing stigmatization of the student.
- E. ANY student may express a need or desire for increased privacy in restroom or locker room usage. The principal should provide a student who requests additional privacy with reasonable alternative arrangements. Reasonable alternative arrangements may include:
 - 5. the use of a private area to change;
 - 6. the installation of privacy stalls or curtains, if appropriate and feasible;
 - 7. the implementation of a separate changing schedule; or
 - 8. the use of a single stall restroom.
