RE: Jamesie Heights Subdivision

To Whom It May Concern:

The Kimberly School District has noted the request for review of the proposed Jamesie Heights Subdivision located at 3550 E and 3900N. The school district neither supports nor opposes the creation of this subdivision.

It is our desire that there is strong consideration for placement of a bus stop that allows the Kimberly School District to pick up and drop off students in a safe and efficient manner. Kimberly School District officials have met with Dave Thibault and Val Smith of EHM Engineers and accommodations for a bus stop have been made that meet the concerns of the school district.

Please feel free to contact me with any questions.

Sincerely,

Luke Schroeder
