Dear School Board,

I hope everyone enjoyed a wonderful holiday season and wish all of you a very Happy New Year! We are excited to see the children back. The first weeks of the New Year are by far the most important. It sets the precedence for everything that follows.

It is hard to believe but the first semester nearly complete! As we move into the month of January, our focus continues.

**Enrollment:** Kindergarten: 81, 1<sup>st</sup> Grade: 79, 2<sup>nd</sup> Grade: 76, 3<sup>rd</sup> Grade: 81, 4<sup>th</sup> Grade: 78, 5<sup>th</sup> Grade: 90, Total Numbers: 485.

**Parent Teacher Conference:** As we wrap up second quarter, elementary teachers are working to update grades, complete testing, and other progress measures in preparation for parent teacher conferences to be held on January 28, and 30. We always have a good turnout of very supportive parents, and we anticipate the same productive relationships to continue for the remainder of this year.

**After School Programming:** In addition to our choir and hand bell groups, this spring, qualifying KES students can participate in IRI after school program to support their reading goals. We are also will begin spring after school enrichment program classes. We are excited for these opportunities.

It has been said repeatedly over the years, and it is no different this year, that we could not do what we do at KES without the support of our parents and volunteers; the time and support you give to us is priceless. Thanks to all for the support of our parents and volunteers.

January is always about fresh beginnings and positive change. I love the promise of the New Year and all the possibilities that exist for our children here at Kimberly Elementary and their future. Thank you for supporting all our efforts to educate our youth for a better future.

Respectfully Submitted,

Megan Garner, Principal
