95	its easy
96	i dont have to go to school
97	No not really
98	the remote day doesn't benefit me because I can't concentrate by doing my homework.
99	It helps me do my work and helps me out on work sheets.
100	It benefits me because I can do the work that is given and use it as a day to catch up on other work.
101	I get work done at my speed and I don't have any time limits.
102	I really like remote Fridays because I think they are fun and I can do all my learning from home. I also feel less stressed, when I'm at home and I get a break from going to the school.
103	by allot actualy
104	It helps me learn the same way as if i was in school, and then the rest of the day we get to do fun stuff and not ben in school for more time, so i really like remote fridays.
105	Remote Friday benefits me by getting all of it done quickly in the morning to enjoy the rest of the day.
106	It didn't. It wasted my time
107	It gives extra points and its not incredibly hard, although its hard to navigate on certain teachers canvas.
108	its easy
109	It makes it easier for me to complete the work.

110	well the remote Friday is easy because its at home but there's so much work that its had to keep up and I struggle a bit so i honestly don't benefit that much , just more work.
111	yes
112	
113	it lets me catch up on sleep and still get my work done.
114	It allows me to work on my own preferred schedule instead of waking up ealry and working non stop.;
115	Extra sleep and extra time with family.
116	Remote Friday is where I do my assignments and helps me with school.
117	I think it benefits me by knowing what to do if we have to go online.
118	I had extra time to do my other stuff.
119	It was still a school day but I also had time to do other things that I wanted to do. It did help me be better on what to do if we do go red.
120	I get my work done throughout the week
121	I don't feel like it did.
122	I can get my work done at home and I can help around the house.
123	It makes me have more time in the day
124	It gives me a day off, so I have a lot more time to relax.
125	It gave me one day from physical school and gave me one day to do whatever school work needs to be done.
126	It's fast and easy, so I can still watch T.V. on Friday.
127	it doesn't
128	There is not a lot of work to do.
129	It doesn't
130	It benefits me because it dont have to go to school all day but get the same amount of work done.
131	It literally doesn't benefit me in a single way possible.

132	It lets me be at home.
133	I can sleep in and start school whenever I want.
134	it doesn't
135	The remote day does not benefit me at all other then the fact that i sleep until 12:00 p.m.
136	more sleepovers
137	More free time.
138	It lets you do school work on fridays.

144	It gives me time to do other stuff on Fridays after I finish school.
145	it is nice to not go to school
146	It is nice not having to go to school.
147	It doesn't benefit me because you don't really learn anything more than you already were in school.
148	I like that we don't have to get up early and it gives us a break from actual school.
149	yes it makes me work harder
150	I can listen to music while I work. And I can usually finish the work very quick;y
151	It's nice to be prepared if we go back into lock down.
152	We can learn without being at school.
153	I can stay home and do the school from any where.
154	we can learn with out being at school
155	It doesn't
156	It lets me do my work at my own time, it is nice to sleep in.

157	It makes it so I can do my work whenever I want.
158	The remote day benefits me in the way that I get an off day after all week of straight work. I enjoy it because online school is not super hard and I can work with friends. I also get to do it in my own comfort zone. It makes the school week feel shorter, which is a plus, and it lets me finish the week confident about how I did.
159	SO i can sleep more
160	It doesn't really do anything it made it hard to ask questions and sometimes we don't get an answer back some times.
161	Good goal
162	To me, it is a whole lot easier to turn things in, whereas on paper, it is easier to lose the papers.
163	it does not benefit me because it is because it is hard
164	it is essay 2 do
165	By being able to work more at my [REDACTED]
166	it doesn't it takes away my time from what I want to do and it makes things complicated. if school isn't a place for sleeping then home isn't a place for studying
167	it helps me because it gives me an extra day to get my other things done but also gives me a day off.
168	It is nice to have remote Friday because I don't have to go to school and I don't have to wake up early, I can do my schoolwork whenever I want, as long as its not past 4:00.

186	its harder for me then going to school
187	makes it easer to use computers
188	I can chose when I want to do my work.
189	By dying things by myself.
190	It allows me to relax a lot more from home
191	its better because its one thing at a time and it s easier
192	It helped me learn about how to navigate on a computer.
193	It's not an all day thing
194	It is harder to do it because of sibling
195	It gives me more time for myself and family.
196	it benefits me by having me catch up on homework and get more work that is missing done.
197	It helped me get done faster
198	it makes it so you don't have to wear your mask an so you can just get on your Chromebook and open up any assiment
199	It makes it easier to get done faster and have some more free time at home.
200	It helps me get my grades up.

201	good
202	It teaches me like normal school but I have the comforts of being in my own home.
203	it helps by doing it on a computer
204	i can talk to my friends more and its easier for me to work.
205	it help me by my mom can help me becas she unerstands me
206	it doesnt benefit me at all
207	It helps me focus better then being at school and not get distracted by other people
208	it doesnt i feel like we should go to school or not have online school at all. 99% of the time im super confused and dont know what to do if we are in school then i can ask for for help in person.
209	I am apart of a mountain bike team and the races are on Saturdays so we can leave and get there on time.
210	I can be at home with my family and work on my remote work.
211	I get to stay at home.
212	I have more time to work on a single class/assignment
213	It allows me to get done with school early so I can play games with my siblings.
214	NO
215	it helps me work a computer and it is fun.
216	not being around people
217	The remote days benefit me because it prepares you for if we go into al online and future skills.
218	You can take a break.
219	The remote day is that I don't have to do it a fast.
220	it helps me to be prepared to go fully online and you can get it done faster and its a little more afficient
221	well there are some days that i dont what to do that work and i dont do it tell Sunday but it good i like it some time but when the teachers do them we have so much to do.

222	It makes sure you can do good on a computer before you do the real deal before the next week.
223	
224	NOT really my grades go down after friday
225	I get my work done and get good grades
226	remote friday I fell like I don't work as well.
227	it helps us on how to work on our own
228	When I get done with my work I am done for the day
229	I don't have go to school for 5 days of the week.
230	It helps me get out of chores, and thats really all.
231	I get to sleep in and I can take breaks as I get over whelmed.
232	I get to spend more time with family. I can go see my dad more
233	Sometimes you have more time to do it than at school
234	idk
235	
236	its ok but a little confusing
237	good
238	Cause I can learn more
239	i get to sleep in and spend more time with my family.
240	no school
241	I can do my work but stay home.
242	less helpfull then school
243	It stresses me out
244	It doesn't
245	It benefits me by I can get more sleep and I can get all of my work done relatively quick.
246	it dose not i hate the online Fridays

267	I like having the Friday to do work at home and be able to be in the comfort of my home and be able to do other assignments and homework that I may have not finished during the week.
268	Remote Friday gives me a chance to focus on just school and not other things.
269	I'm in the comfort of my own home and it helps me catch up on homework I couldn't get done in class.
270	it gives me a day to be home and practice working at home just incase we go to red or yellow and have to go remote
271	By letting me sleeping in, by letting me work at my own pace, and by letting me eat while i work!
272	your can do it when ever so it easier and you can take a break when ever you want
273	It allows for me to get other things done on Fridays and not just school work.
274	The remote day benefits me because there is no a specific schedule of which we have to do things. We can do whatever subject first, at any time we want.
275	It gives me a day that I spend 1 to 2 hours doing school instead of 7 hours.
276	It has benefited me by helping me learn how to do school online.
277	I am able to finish my work and then spend time with my sister or babysit it is also a break and fun.
278	I get less time a day of work and more play time
279	it is like crap it is hard i rather have have it on paper
280	i like doing remote friday because i get to take my time to answer things.
281	less in school school
282	I like it because I get to get a snack whenever i want and i don't have to get up early.
283	it benefits me by doing it at any time during the day.
284	I can get my stuff done then go skiing.
285	No
286	It helped prevent me from getting covid
287	It benefits me because it teaches me all the things I still need to know while staying safe.

288	Yes it helps you learn how to use the computer.
289	Remote Friday does not benefit me, if it does it rarely happens for me to understand for next class.
290	I think that remote Friday is like a regular school day and I think it is benifitual.
291	I learned things I didn't know. It helps me get smarter because now I know more things.
292	It gets be used to getting on but its a little odd to me to only get on--on Fridays.
293	not good it's hard for me because I sometimes don't know what the teacher is asking me to do and it's hard on my mom because she's not used to online learning and my dad hate's computers and it doesn't help me with my sight because when I get off after I'm done I can't see what so ever.
294	It helps with less work then that day I can do my work that I need to do that I missed
295	it doesnt
296	by not going to school
297	Extra day off
298	it benefits me in not being as rushed as in school and i dont have to talk to people but over all it also gives me more time to do make up assignments which helps me alot
299	The remote friday has benefited me by teaching me how to be productive at school online.
300	it helps me by letting me be with my family so when i done i can be with them.
301	It got me ready for if we went to yellow or red, also the day was a lot shorter.
302	I learn new things, and it keeps us from get covid.
303	It helps by just like being able to do it faster than normal.
304	It taught me how to use a computer better.
305	it allows me to know what to do if we go into red.
306	It allows me to get my work done and have an extra day from a, mask and more time to do stuff at home. It is also nice because if I am ever home sick, I can keep up on my school work and come back caught up not falling behind
307	Its easy and challenging and I wake up at 6:00 to do it

308	It lets me stay home after I get my work done so I can just get it done in a few hours.
309	It makes me feel better about myself because there isn't people telling me that I messed up.
310	its benefits me by knowing i have the whole day to do it, and i just find it a little easier
311	It doesn't much beside sleeping in!!!
312	On remote Friday usually we have an assignment in every class, which means if you have a 89% in a class and you get a 10/10 on a assignment your grade will be brought up. So basically there is a assignment every class which can touch your grade over an A if you are trying to get straight A's. Also overall there is less work and usually get done at like 12:00.
313	It benefits me by I can get my school work done a lot faster.
314	it makes it so i can go at my one pase
315	I get to sleep in, eat breakfast and I know how to use Canvas.
316	it didnt
317	I get more time with my family
318	Yeah but it was hard for me to get started.
319	Just as another school day nothing more special
320	It benefits me because once I get my schoolwork done, I have the rest of the day off! I also like it because I never have to worry about what day is an A day or what day is a B day: I just know that Mondays and Wednesdays are A days and that Tuesdays and Thursdays are B days. That has been really helpful to me.
321	I get to sleep in and have more of a flexible schedule.
322	it makes it esear to catch up
323	It doesn't.
324	it does not benefit me i am not most successful when doing remote friday
325	They got me better at online school
326	yes
327	It can sometimes be easier.
328	I learn a new skill.

329	It lets me get more sleep so I can do work better.
330	Remote Friday benefits me as it causes less stress.
331	I'm learning at my own pace.
332	It lets me challenge myself and so I can get everything that I need to get done other than school done faster and better.
333	It didn't it made it harder for me.
334	I get to sleep in
335	Because I get done faster sometimes in a class so I can move forward and complete it in an hour or two rather than 7
336	It helps me because it gives me more time in my day to do homework and to catch up on missing assignment and gives me different ways to do school.
337	It benefits me because then I can learn at home and I still get to go school during the rest of the week.
338	noting i hate it oh and the one good thing is not go to school
339	I can get the work done faster and do more things with my family.
340	it help me because if we have to go online I well know what to do and what to expect
341	It helps me work with other people.
342	no
343	it helps a lot so when i need help i can not freak out and just ask.
344	The remote Friday gives me extra sleep and I like the day at home to because when we are done that is it for the day we get the rest of the time for ourselves.
345	yes because i can learn from home.
346	Remote Friday benefits me by making me go at my own pace, at my own time, and it lets me be in the comfort in my own room.
347	I can sleep in.
348	no it esayer with a techer
349	I like having fridays at home.
350	i dont have to sit in class all day

351	it helps me get out of the rat race
352	It helps me be able to relax and have plenty of time.
353	It Doesn't
354	it dosint
355	il can relax more
356	It helps me learn.
357	it dose but it dose not because I get behind on my school work and it is hard.
358	It helps me focuse because i am not in class
359	It benefits me by letting me catching up on my work.
360	It makes me prepared just in case something happens.
361	By not going to school because if i go to school there is a higher chance i can get COVID-19
362	It gives me a day away from school.
363	I get to stay at home.
364	It helps so I can stay home and read a bit more.
365	i can do it on my own time
366	I get to sleep in and do homework at my own pace. It also gives me another weekend day.
367	less work
368	It helps me learn more about online school just incase we shut down again.
369	I like it because we have a three day weekend. Well, kind of. plus, I don't have to deal with others
370	it gives me a break from doing things in a small time limit.
371	Keeps my grades good
372	it help get my work done.
373	by being in a quiet enviornment
374	to help me when I did it

375	It helps me concintrate
376	It makes my grades lower.
377	It is shorter than regular school so it makes it easier
378	Helps me sleep in and I can have a snack.
379	It only helps me if I am having a stressful week.
380	helps me
381	It keeps me less stress because theres not a lot of people around
382	It helps me learn more how to log in better on a computer and it is nice being gone from school for 1 day.
383	it helps me get more work done
384	by giving me work
385	it is steresing
386	It helps me to prepare if we go home and do it.
387	it doesnt
388	It benefits me by doing work that is different than we do in class and it makes me work harder too.
389	It's easy to do at home and to finish it quickly

What Challenges and Hardships does the remote day create for you?

1	the challenges for me is getting in the meeting on time and doing all the school work.
2	my challenge is when i have a quistion because, when i need to ask a teacher for help i have to email the teacher than i have to wait
3	i have chores so it takes awhile
4	When I need to do thins at home and do school.
5	It can be confusing without your teachers. With 3 siblings it is easy to get distracted and internet is a problem.
6	If I have to do chores or have to go outside with my brothers.

7	Getting in and doing the assignments.
8	I don't really have any challenges when it comes to remote.
9	my family has to take turns using the computer and I feel like it does not help me learn.
10	some questions to the teachers if something is wrong but most the time I look at my notes from school and then I learn it myself so I say its pretty good
11	It is some times harder because It is harder to talk to teachers and get in touch.
12	The internet sometimes can be a pain and when links don't work or anything else.
13	we have to find the stuff and some classes has videos that's on youtube that i cant get into because my mom put youtube kids on my computer so i dont know what i have to do!!! AND IT SUCKS!
14	there is no teachers
15	It is hard for me to understand over a computer.
16	Sometimes the computer does not work right and sometimes you can not get on zoom calls.
17	Sometimes internet problems, websites crash, links don't work or if I don't have the ability to ask a question.
18	sometimes it doesn't work that's my only challenge but most of the time it dose work
19	Mainly just not knowing what to do sometimes.
20	Getting everithing done in one day when I dont have much time to work
21	really not much but the WIFI its really slow so
22	geting it to work
23	Nothing
24	sometimes to do it
25	to get in on time
26	none
27	Not really any hardships are created by this remote day for me.
28	if I don't understand something i can't ask for help

29	I allways say I am going to do it later but then I don't
30	All the assignments I need to keep track of
31	Lots of work
32	getting work done
33	it can some times be hard to understand but not often
34	Internet
35	Having to go some where and then you miss the work
36	not any if anything
37	To hard to get on team meetings.
38	A crazy and distracting learning environment. Another thing is trying to figure out everything on your own.
39	all the assignments
40	a lot.
41	we are on a computer longer than we are at school
42	It doesn't really make any
43	it makes me more stressed because i cant understand the intrustions half the time
44	There is no teacher there and it's harder for some lessons but not all
45	None
46	Sometimes the internet doesn't work.
47	None
48	You cant make them up
49	Sometimes I have difficulty getting papers printed or using programs
50	Cites are hard to navigate to. We get better instruction in class, it is confusing online.
51	it makes me do work on Friday when it should be no school
52	None.
53	Assignments that are dumb and useless.
54	I can't learn unless I am in class. I need to be interacting with teachers and students.

55	It lets me appreciate what I got
56	Nothing sometimes I have a hard time reading stuff by I call my mom to help me
57	Sometimes it's hard on remote days it's harder for the teacher to answer questions.
58	It is a little hard how some of the assignments close because if we can't get on then its late.
59	I don't have any challenges with the the remote day.
60	Not any
61	Sometimes the time limits on assignments that are due on Fridays are sometimes hard to turn in on time.
62	Doing all that are required
63	Some links don't work for me and i email the teachers and they give me an f.
64	Sometimes i have plans in place and my grade drops when I miss it.
65	None
66	Turning the assignments.
67	I don't feel like the remote day causes any struggles for me.
68	It is extremally boring, and confusing.
69	If i do not have time then i can not do it later its hard that it ends at 4.
70	You can't ask for a teachers help in person.
71	Not being able to ask questions easily.
72	uhh getting up in time
73	None
74	The challenges that I face are that it is harder for me to do my work.
75	If I don't get something, sometimes I have to wait a little for teachers to respond to my emails.
76	I haft to do my work then help my brother with his and i don't have enough time to do mine.
77	sometimes the internet is slow

78	Remote Friday makes it hard to get my brother to practice and still submit the assignments before there due date. It also makes it hard to do the work when my brothers are loud.
79	I can't ask the teacher questions about the assignment quickly.
80	nothing
81	Really none unless I'm having a problem with my computer.
82	You don't always understand the instructions. I also wasn't motivated the whole time.
83	ummmm none I don't think
84	When we have a question we can't get a reply quickly.
85	i dont know
86	that the school computers aren't very good
87	It is hard to remember to do the classes that are assigned that day. And it is sometimes hard to understand what the teacher is asking.
88	the challenges is that not everything works on my computer or wifi and it also brings challenges when it wont load or work I also just learn better in class
89	i might forget about it or if i need help ill have to wait a little bit
90	The only problem was if you miss a day than it really hurts you grade.
91	It is hard because I can't plan to do anything on that day becasue I never know what my teachers are going to post.
92	Some challenges and hardships the remote day create for me are is that it is online.
93	There aren't really any challenges that I can think of. It's all usually pretty easy.
94	Sometimes it is a little bit tricky understanding what to do, because you can't ask questions as easily, but this is very rare.
95	its long and annoying
96	none
97	It creates hardships because it makes my computer lag.
98	

99	It creates new ways to do things online like help us out to learn on the Kimberly page when something happens like anything will happen and we will be papered for it.
100	It doesn't give me any challenges.
101	I get work done to the best of my ability but most times I don't understand what there trying to tell me.
102	Sometimes i have problems with the internet but that's all.
103	to learn how to work the computer
104	Trying to to get out of bed, so i can finish it early and have all day free.
105	Some challenges for me on remote Friday are when I need help and I ask a question through email and sometimes the teachers do not get back to me or they do not answer the question in detail.
106	time wasting and boring and hard to get cause their no teachers to help you
107	That you have to learn on it its for work not learning.
108	nun
109	The internet not working but it doesn't happen anymore.
110	the challenges is that i sometimes log in late and I there's dead lines and i only have a hour to do it so i have to wake up early and there's just so much work and it takes a lot of time out of my day because it takes longer online.
111	its confusing sometimes
112	...
113	sometimes i cant find the assignments.
114	It can sometimes prevent me while on a vacation or trip during a Friday it kind of interrupts.
115	If I chose to do afternoon, it would have been an issue to go to one of my parents home. Other than that no problems here.
116	It was hard because the teachers don't even reply most of the time.
117	It does not help on days when I am gone. The teachers make it so even if you don't have access you can't make it up. For example, if I was on a vacation and I would have been gone anyway I can't make up the work I missed.

118	Some instructions weren't clear
119	It does remind me that I have something on Friday and I almost forget about it. Its different from not having a teacher right there to help you.
120	None
121	Going to school and having teachers help us, then going online just for a day is so much different.
122	I feel as if I have less time to complete thing.
123	Nothin
124	Remote Friday doesn't give me any hardships.
125	I don't think that we need all of the assignments that we have on remote Friday. Plus, now that teams is blocked, I am not able to get help from friends and teachers.
126	None.
127	we don't lurn anything its jest bisy work
128	We only have one computer and I have 3 siblings.
129	nothing
130	If i have quick question it takes a while to get it answered. Also if you were out of town before remote fridays ot is fine but now you get Fs because your out of town.
131	It doesn't challenge me its just dumb, its just busy work. We are not actually learning anything
132	Teachers dont reply
133	If I struggle with a problem I cant really ask a teacher for help.
134	bad grades, stress on my parets
135	On remote day students have to battle internet issues, Wi-Fi connections, and you don't learn anything.
136	its hard to0 do the homework when at a friends house
137	Its hard when the teachers don't give us enough info to do it.
138	I dont like doing it that much.
139	It makes learning limited as in it reduces the amount of interest and it ruins the joy.

140	When I have games on Fridays its hard to get remote Friday done.
141	Sometimes I have baseball tournaments and have to miss remote Friday.
142	that i dont learn anything.
143	Not staying up to late
144	The teachers will keep putting rules on it
145	none
146	None
147	It's hard because we have a time limit for our assignments so if our families have plans, we can't finish our school work.
148	Some tech problems
149	thinks harder
150	None.
151	The challenge is we usually plan something that day so I usually turn things in late.
152	Sometimes confusion and it wasn't as easy to communicate with teachers.
153	It is harder to follow instructions. It also is harder with slow internet and a slow computer halting your progress in your work.
154	it was not easy to communicant with teacher
155	It takes away time from my family even though they are right in front of my face. I also get bad grades if I don't see something or if I'm traveling and there is no signal.
156	Some of the instructions are confusing, if I miss on attendance quiz my grade drops.
157	Sometimes the computer runs out of battery or the internet doesn't work.
158	Sometimes on remote learning, the teachers dont explain their assignments very well so I am stuck guessing what I have to do. Although emailing is an option, I prefer being able to talk to them face to face. (But facetimes or zoom classes are HORRIBLE so lets not do that again) Another thing is it is very annoying when I can't even get my online school finished because teachers lock it at a certain time. On days when I don't have to physically be in school, I still have a life going on, so when I can't get to the assignment before the time limit, I fail that assignment which is not fair because it is not my fault that I missed the time limit.

159	i cant find the assignment
160	it gets hard to get answers from teachers.
161	Best Firday ever
162	Sometimes the online worksheets won't load or the internet is too slow.
163	to be stressed out because I have to help my siblings as well I just don't like doing it
164	no problems
165	Remembering to do it
166	it takes my time away from me and I HAVE to do it or I else my grade falls
167	Sometimes I don't understand what the teachers are asking me to do in the class for that remote day.
168	Sometimes I don't understand what the teachers are wanting me to do.
169	It sometimes makes me Procrastinate.
170	We still have to wake up early
171	logging in to canvas
172	Nothing
173	Don't like it
174	it is hard to attend the meetings
175	Every thing
176	Nothing
177	Problems with assignments and smooth walls
178	i does not
179	Not being able to talk to my teachers as usual
180	Um kind of test because they take forever to load.
181	Not being able to talk to my teaches in person.
182	It is some times hard when I have to get other things done in my house.
183	you cant ask questions

184	Some of my teachers give us more work than we would usually do on a normal school day.
185	I don't focuses
186	by doing the home work and not always getting and its loner
187	fun day
188	It is sometimes hard to get up and start working.
189	By learning things on a computer by myself but that also helps me.
190	It is sometimes hard to find the assignments
191	its frustrating
192	It was hard to get onto meetings. It was also sometimes hard to get onto links or other stuff that teachers sent us.
193	Yes
194	I can do different things
195	Its hard because I always forget its a school day.
196	well you cant be with friends.
197	I cant get instructions in person so that makes it difficult
198	it makes it hard to ask questions or if you need help your parents are at work so they cant help you with work.
199	Internet doesn't work. or I can't get my questions answered tell like Saturday somtimes.
200	nothing besides the work or having to attend meetings at the right time.
201	good chalinges
202	None.
203	looking on a screen for a long time
204	nothing
205	happy
206	its hard because i dont really know how to work computures

207	Having to help my brother with his school work when im trying to do mine
208	none really it just how hard some of the classes are and what they want us to do.
209	None
210	Sometimes the computer and the videos that we need to watch will not work.
211	Don't get to see my friends.
212	not really anything
213	sometimes stuff doesn't load
214	Waking up
215	when it takes a while loading or i turn in something late or I don't press the submit button and get a F.
216	I can't focus on a computer and sometimes it doesn't work right.
217	The hardest part is work schedules, my mom is having to take the day off instead of working.
218	You have to get on a computer.
219	Its harder to learn.
220	sometimes when the teachers explain online it is hard to follow because it does not make sense at times and it is hard to find the links or your work.
221	it really dose not but lot of the work is hared
222	That I have to spend more that 4 hours on a computer.
223	
224	stressing to get good grades
225	finding assignments if they are done
226	I want to do other things at home.
227	its hard because of internet problems and such but thats really it
228	If I need help it is harder to get help
229	None
230	Computer problems, confusing

231	Sometimes I cant find my assignments and getting in touch with a teacher is harder.
232	I have to do a lot more noline then in class
233	Some times I feel like that my internet doesn't work
234	none
235	
236	the mettings
237	nothing
238	you have to get up and do your work
239	there was no challenges for me because i understood every thing.
240	its hard with no teachers physically
241	The internet doesn't always work.
242	computer problems
243	The remote Friday is crazy the challenges it creates for me are thinking ahead of how it would go
244	none
245	I'm not great with electronics.
246	its harder then being in school
247	better grads
248	There's no teacher to answer my questions unless they are on a meeting and most the time its hard t join the meetings cause im still asleep.
249	My computer does not work at home because of the internet at home.
250	It is harder to both learn and get work done.
251	None
252	Remembering to do it
253	not having a teacher helping me
254	It's hard because it's all online and it hurts my eyes but other then that it's not bad
255	I tend to leave the remote work for longer than i should

256	being around my family more
257	None all good things.
258	Not understanding things like I would in face to face contact.
259	gets me in trouble, causes bad grades, i cant talk to the teacher immediately.
260	Some times science has a lot of work and so i have to go out of my ways and study so i can take test's.
261	i have to log on when i really dont want i also have things i can do and it just keeps me from doing things i need to do
262	Remote Friday causes no challenges or hardships than any other school day for me.
263	Remote Fridays hardships for me are that I get VERY distracted.
264	No help from teachers.
265	To actually do it and not do anything all day.
266	????????????????
267	It makes it so that if I have a question I cannot instantly ask a teacher a question about an assignment.
268	Remote Friday makes it a little hard to log on from internet issues.
269	Sometimes if you need help you can't get it right away and it's hard to get some assignments done. Also, sometimes it can be glitchy and some things don't load.
270	its overwhelming to have to figure out issues with technology
271	NONE
272	remember to do your work
273	The only hard part is not knowing how to do something and then the teacher taking a while to respond.
274	There are no real challenges in the remote day. It is very easy for me.
275	If something is not working I have to email a teacher that is getting emails constantly which can be annoying for the both of us.
276	Remote Friday is hard because sometimes I need a teacher with me.
277	It is hard to focus and figure the things out sometimes.

278	Not A lot except my wifi if it had problems I had to go to other places
279	
280	Answering things on my own,
281	half to go to library
282	it challenges me because it tests if i can do some work at home without any teachers.
283	some hard times about it is its just a pain to do
284	I don't turn it in right and they done count it.
285	Issues with internet and assignments not showing up
286	IT was really confusing
287	Some hardships i would face are if canvas or my computer wasn't working.
288	It is hard for me because I get distracted easy at home.
289	Mentally challenges me in bad ways and gives me stress.
290	I think that remote Friday does not create any problems for me.
291	when I had to write a hard essay or take a quiz it challenges me to work hard to get good grades
292	It gives you a better knowing of the system if we were to go into red.
293	that when I'm finished with everything I can't see the life I have right in front of me.
294	Sometimes I dont understand some stuff and it is hard to explain
295	im always busy
296	i cant get help when i need it
297	doing all the work
298	not being able to get direct help is kind of hard so i use different resources
299	none.
300	having to understand some things
301	I have to stay on a computer a long time.
302	It does give me a challenges.

303	It makes it harder for me because I like having a teacher there helping you and not just online it helps in person.
304	it isn't that hard i can get it done but it's very hard for my siblings and i have to help them.
305	It doesn't allow me to hang out with my family so i am stuck at home.
306	There are no challenges that I have faced and I feel it has been a great thing for me.
307	some assignments are hard but I can do it
308	I didn't really have any challenges
309	It is challenging not to have a teacher to help you with something.
310	due dates!! they just make me worry a little
311	none
312	Bringing a computer home from school every thursday and taking it back on mondays when it dosn't fit in my binder.
313	When I have a question I can't ask my teacher face to face.
314	none
315	Teachers take longer to respond or don't respond until the next day.
316	its annoying to have to stay at home and do work we might as well just be on a computer in class
317	There are no challenges and hardships
318	Its hard for me to get ready and do it but when i do it i get it done.
319	Gettiing out of bed and doing work
320	Sometimes it's hard because you don't know what the teachers are asking of you, and it's very easy to get something wrong.
321	Sometimes it's a lot of work and takes me all day but other times it takes me like 10 minutes. I also have to help my brother every remote Friday and he does not make it easy but that's more of a problem caused by him than remote Friday.
322	none
323	That im not with a teacher if i need help.

324	its hard to get everything done and
325	It just creates some stress but not a lot.
326	yes
327	It doesn't.
328	Teachers don't give enough info on assignments.
329	I don't have someone to tell me to stay focused as much
330	Remote days causes the challenge of not having help.
331	None
332	I am home lone and if I submit something wrong it count as lat.
333	I makes me not really understand
334	Its not hard
335	Sometimes I need some instructions on some assignments better.
336	It's hard when I don't understand something and email my teacher and they can't talk to me the same way.
337	I do not have any challenges.
338	my mom haves a big a family ■ kid
339	Sometimes I don't get what to do. And it is hard to have teachers email you back and help you fix the problam.
340	i donk know what this means
341	I have no challenges or hardships.
342	none
343	some challenges were that stuff would not work or load
344	I don't really have any cons to remote Friday personally I love having it.
345	The Challenges that are created are its hard to learn online i would rather go to school.
346	Directions not being said completely or instructed all the way, and some source not working completely.

347	The computers can be slow.
348	yes it preey hard
349	None
350	it is not hard for me
351	it has a lot of challenges for me because I have adhd and it is hard for me to consentrate
352	sometimes the classes were plane out to easy but some classes were way to hard.
353	Nothing, it is just review.
354	it sucks
355	none
356	nothing realy
357	more homework that confuses me and also more kids.
358	Nothing it helps are familly
359	The only challenge remote Friday creates for me is when I have a question the teacher can't show and explain it to me.
360	Sometimes i dont understand.
361	Not much other than sometimes i dont know what to do but its not that often
362	It's hard to ask teachers questions and have them respond quickly.
363	sometimes i dint get how to do it
364	I can't really learn with any remote day because i learn a lot diffent then others
365	nothing
366	I don't learn as much.
367	nothing
368	It was hard because I don't do well with online school and I would rather be at school.
369	None
370	none that I can think of
371	I dont do them

372	non
373	everything
374	to were there's no body around you
375	maybe not being teached how to do it.
376	It makes it harder and my grades went down.
377	When there is a lot to do but it is easy most of the time. If my internet is not working it is hard.
378	Not getting help when remote Friday and not seeing my friends.
379	None, honestly. Schoolwork gets done really quick.
380	it help
381	just it is a little confusing
382	It help me learn how to do school online. And teaches me stuff.
383	my little brother distracting me
384	homework
385	hard stuff
386	the challenges are getting worried that I wont get it done in time.
387	everything
388	Sometimes it does not work for me, like when we click on a link then sometimes it does not work.
389	Makes it easier for me to pass
