KSD School Board,

Student-led Conferences are finished up for the first quarter and our participation numbers are a little lower than previous years. We are discussing how we can improve our attendance numbers and make conferences a meaningful experience for parents and students.

Mrs. Mathews and her Girl Talk group have kicked off their Kindness Campaign. This years theme is *Spread Kindness Like Confetti!* Mrs. Mathews continues to do an amazing job providing after school opportunities and bettering our school with her efforts.

This year, we added a Choir elective to our schedule. Mrs. Belliston has done outstanding job so far. Students put on the first performance in October. I received several positive messages from parents who attended, and I look forward to great things in the future and happy we could provide this class for our students.

The sports season for wrestling and girls' basketball have now started, with each team having competed several times. We look forward to a successful season for each team.
